- (c) No rear yard is required in the B-1 District except where adjoining an R-20, R-15, R-15TH or R-10 District, in which case a side yard of 20 feet shall be required.
- (d) The lot sizes required for the various districts in this section were drawn upon the assumption that adequate water supply and sewage disposal systems are available to this and every lot. The lack of adequate systems for one or both facilities may require larger lot areas, or in some instances, because of Health Department standards, may not permit development as intended.
- (e) No parking and/or driveways shall be permitted in any front setback that is less than twenty (20) feet in townhouse developments. In these situations, parking and/or driveways shall be located in the rear of the lot behind the principal structure.
